## Capabilities Statement

Rethink Reentry LLC is a community-centered reentry consulting and human services firm based in Seattle, Washington. We specialize in supporting individuals transitioning from incarceration to community life by reducing barriers to employment, housing, and essential services. As a "by-and-for" organization, we assist individuals, government agencies, and nonprofits in strengthening reentry outcomes through expert consulting, training, and evidence-based service delivery.

## Core Competencies

- **Case Management & Navigation:** Comprehensive pre- and post-release reentry planning and client navigation.
- **Workforce Transition:** Specialized coaching, employment readiness training, and job-readiness facilitation.
- **Strategic Consulting:** Program development, capacity building, and organizational management for human service agencies.
- **Evaluation & Compliance:** Program audits, performance evaluations, and compliance reviews for reentry systems.
- **Advocacy & Mediation:** Dedicated resource coordination, referral services, and community mediation support.

## Differentiators / Experience

- **Lived Experience & 20+ Years Expertise:** Leadership brings two decades of experience in corrections, union leadership, and reentry affairs. <sup>3</sup>
- **"By-and-For" Status:** Directly fulfills Washington state mandates for culturally responsive organizations operated by marginalized communities. <sup>7</sup>
- **Hybrid Delivery Model:** Services are delivered via a flexible virtual, mobile, or onsite engagement model across the state.
- **Clinical & Compliance Mastery:** Proven track record in EEO matters, mediation, and regulatory compliance within carceral environments.
